ETI Contents Index - 1995

This index is divided into two sections: Technical and Construction, which features all articles on a constructional project or containing construction-related information, and Features, which contains our leading topic features and shorter features.

Technical and Construction

16-channel MIDI mixer	Oct 1995
80188 SBC - 4 channel touch switch interface	Jun 1995
80188 SBC - serial ADC for virtual instrumentation (Part 1)	Jul 1995
80188 SBC - serial ADC for virtual instrumentation (Part 2)	Aug 1995
80188 single board computer (Part 2)	Feb 1995
80188 single board computer(Part 3)	Mar1995
80188 single-board computer(Part 1)	Jan 1995
8088 interrupt-based single board computer - single-stepping	Nov 1995
8088 interrupt-based single board computer	Sep 1995
8088 interrupt-based single-board computer	Aug 1995
Active Guitar Electronics	Feb 1995
Alarming Ideas - a collection of devices mainly for PC security	Feb 1995
Analogue shutter timer for cameras	Aug 1995
Bar-code reader for the PC	Dec 1995
Basic microcontroller (Part 1)	Oct 1995
Basic microcontroller (Part 2)	Nov 1995
Basic microcontroller (Part 3)	Dec 1995
Basic microcontroller (Part 4)	Jan 1996
Basic microcontroller (Part 5)	Feb 1996
Basic microcontroller(intro)	Sep 1995
Bat simulator and sound detector	May 1995
Bicycle loop alarm	Jun 1995
Child's night light (low power)	Oct 1995
Computer controlled SMART mains control system	Feb 1995
Computer controlled SMART mains control system	Mar 1995
Computerised radio control	Nov 1995
Computing without clocks	Jul 1995
Designing a PIC micro-based project (Part 1) with alarm clock	Jul 1995
Designing a PIC micro-based project (Part 2) with alarm clock	Aug 1995
Designing a PIC micro-based project (Part 3) with alarm clock	Sep 1995
Designing a PIC micro-based project (Part 4) with alarm clock	Oct 1995
Designing a PIC micro-based project (Part 5) with alarm clock	Nov 1995
Designing a PIC micro-based project (Part 6) with alarm clock	Dec 1995
Dry battery tester	Sep 1995
Electronic cycle alarm	Dec 1995
Eprom programmer, portable	Apr 1995
Fibre optic MIDI link	Sep 1995
Fibre optic transceiver for computers and peripherals	Jul 1995
Garden shed alarm (Part 1)	Mar 1995
Garden shed alarm (Part 2)	Apr 1995
General Purpose RS232 Card with 24 lines I/O (Part 1)	Dec 1994
General Purpose RS232 Card with 24 lines I/O (Part 2)	Jan 1995
Laser Tag game - Large scale displays (last part)	Jul 1995
Laser Tag game - light gun base (Part 2)	Apr 1995
Laser Tag game - light gun control	Jun 1995
Laser Tag game - light gun control (Part 3)	May 1995
Laser Tag game - the Gunman	Mar 1995
Laser Tag game (Part 1)	Mar 1995
Message Pad "Hello Mum"	Sep 1995
Metal effects unit	Jan 1995
Mobile robot	Apr 1995
Multi-checker for home and car	Aug 1995
Multi-core cable tester	Aug 1995
NiCad battery charger	Apr 1995
Noise masker	Dec 1995
Opto-compressor gain control for public address systems	Feb 1995
Parallax Basic Stamp - making servos work for you	May 1995
Parallax Basic Stamp - applications for the pulse command	Jul 1995
Parallax Stamp - building a serial relay controller for PC	Sep 1995
Parallax Stamp - LCD based mini terminal	Apr 1995
Parallax Stamp - signal processing	Jun 1995
PCW I/O port	Mar 1995
PIC programmer	Jul 1995
PIC programmer	Jun 1995
Programmable packer timer 3-digit, using a PIC	May 1995
Solid state darkroom safelight	Jan 1995
Switch regulators (Part 1)	Jun 1995
Switch regulators (part 2)	Jul 1995
The Parabender (Part 1) parametric EQ	Dec 1994
The Parabender (Part 2) stereo EQ	Jan 1995
The Raydor (Part 1)	Feb 1995
The Raydor (Part 2)	Mar 1995
Timed mains isolating switcher	Dec 1995
Touch test continuity tester	May 1995
Twinkling star	Jan 1995
Using eproms (Part 1) : proms vs logic	Dec 1994
Using eproms (Part 2)	Jan 1995
Using PIC micros on the Arizona Microsystems PIC controller	Feb 1995
Using the PC Parallel Port	Jun 1995
Versatile bench power supply (Part 1)	Oct 1995
Versatile bench power supply (Part 2)	Nov 1995

Features

Analysing light (feature)	Apr 1995
DC and electronically commutated electric motors	Aug 1995
Driving into the Future	Nov 1995
Electron Microscopy	Oct 1995
Electronics and the Internet	Jan 1995
Electronics in Medicine	Feb 1995
Interactive digital TV	Aug 1995
Movie Technology	Apr 1995
Nickel Metal Hydride Batteries	May 1995
Parallax Stamp review - small, low-cost control computer	Apr 1995
PC Clinic - installing sound cards	Apr 1995
PC Clinic - maintaining personal computers	Jan 1995
PC Clinic - sound boards and CD rom drives	Feb 1995
PC Clinic	Mar 1995
Shape Changing Robots	Dec 1995
Shape Memory Alloys	Jun 1995
Solar Panels ("Something for Nothing?")	Oct 1995
TEC 200 on trial - PCB-making kit/method	Jul 1995
The Ariane 5	Sep 1995
The Virtual World	May 1995
Uncovering Saturn's Secrets	Jun 1995
Walking insect robots	Mar 1995
